The protagonist meets Saya, an 18-year-old girl who is a first-year student of the Myouin Academy. Saya invites the protagonist to accompany her on an excursion at the academy's nearby forest. After the protagonist defeats an army of monsters called "Slimes", he witnesses the goddess Arishta's execution. Arishta was thought to have been killed by a mysterious "Zombie God" but was in fact killed by a "ghost god" which was a transformation of an existing god. As the protagonist leaves the scene, the goddess of death appears and claims that the protagonist is the only living person that can save the world from the upcoming apocalypse.
